

The *FIRST STEP* Adult Education Center

Take the **FIRST STEP...** **Diploma Exam Prep EVENING CLASSES** **September 2018 to January 2019**

These tutorials are designed for students who may have already written their diploma exams once and need to improve their marks or just want to challenge the **DIPLOMA EXAM** in January.

Diploma Exam Prep 'Fast Tracking' for *BIOLOGY 30 **THURSDAYS 7 to 9:30 pm September 13th to January 24th.**

The concepts in this course include nervous and endocrine systems; human reproduction and development; cell division, genetics, and molecular biology; populations and community dynamics. Demonstrated proficiency on assignments and exams will determine school-based marks.

Diploma Exam Prep 'Fast Tracking' for *ENGLISH 30-1 **WEDNESDAYS 6:30 to 9 pm September 12th to January 23rd.**

The ENGLISH 30-1 course includes a study of the five basic forms of literature: essays, short stories, novels, drama and poetry. Demonstrated proficiency on writing assignments and exams will determine school-based marks.

YES YOU CAN take the *FIRST STEP*
